

# Beautiful Skin for the start of Spring!

## Boost your collagen with no needles!

Qsilica PRO COLLAGEN is a scientifically developed vegetarian food supplement formulated to promote normal collagen production – and so boost the health and appearance of your complexion, and even reduce the signs of premature ageing. It contains patented Lipowheat™, clinically researched to increase skin hydration. To boost collagen levels without needles or animal products, choose convenient Qsilica PRO COLLAGEN tablets. Priced £29.95 at premium health stores and pharmacies.

## The secret to being spa fabulous...

Harsh weather leaves skin in desperate need of some TLC, so bring it back to life with this rich, velvety organic cleanser. Made from only the highest quality ingredients, Cleanse & Glow Bliss is the perfect anti-ageing skin soother. Jojoba seed oil mimics the effects of collagen by rehydrating, softening and soothing the skin. Rosehip seed oil repairs and adds essential omega acids, while Shea Butter assists in cell renewal and boosts circulation. Evening primrose oil and Frankincense plump, heal and improve texture to feed skin and leave it with a beautifully youthful, lasting glow.
